

NAŠI PROJEKTI

IV. A

OD I. DO IV. RAZREDA

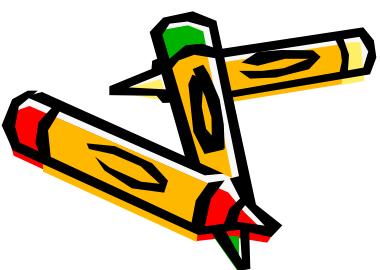

1. RAZRED

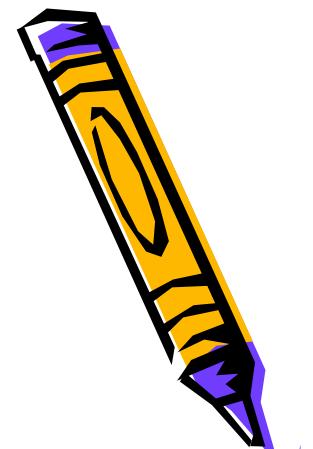

PROJEKT: Ja to mogu!

Svatko od nas je počeo raditi nešto što
do tada nije mogao, želio...

Počeli smo jesti raznovrsniju hranu,
čitati više, spavati sami u svojoj
sobi, učiti uvijek na istom mjestu u
isto vrijeme...

KAKO SMO SE RADOVALI SVATKO SVOJOJ POHVALNICI

POHVALNICA

RADUJEM SE SKUPA S TOBOM
JER SI USPIO OBAVITI
DOGOVORENI ZADATAK.
NADAM SE DA ĆEŠ I DALJE
BITI USPJEŠAN U
OBAVLJANJU ISTOG
ZADATKA.

PROJEKT: Naši susjedi

Ovo je zaista bio posao! Ali kad se male ruke slože sve se može!

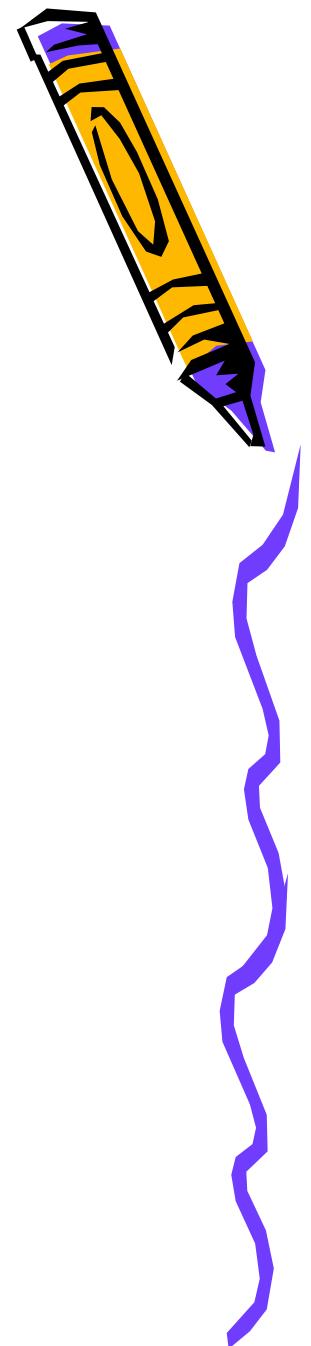

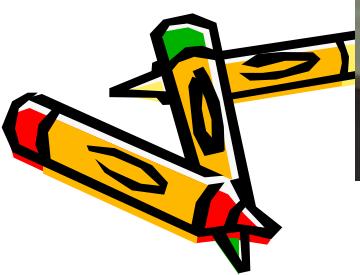

TIJEK RADA

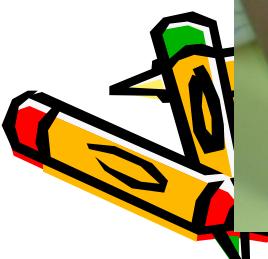

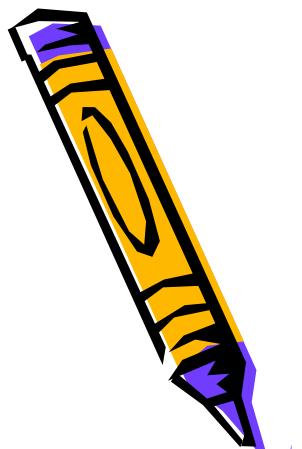

- Prikupili smo potreban materijal
- podijelili obvezе
- razmjenjivali mišljenja i ideje
- marljivo radili iz sata u sat
- napredovali polako i sigurno

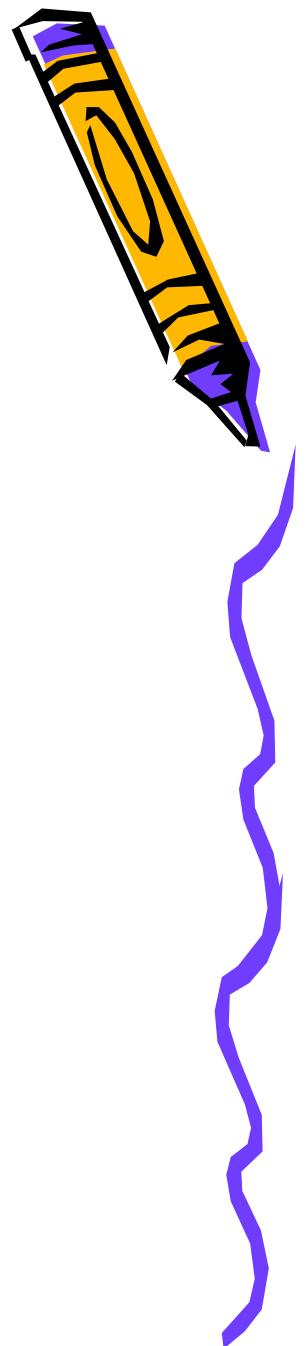

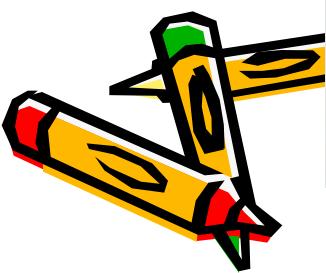

A što sa ovako materijala? Što je
ovdje bitno a što ne?
NINA I DARIA

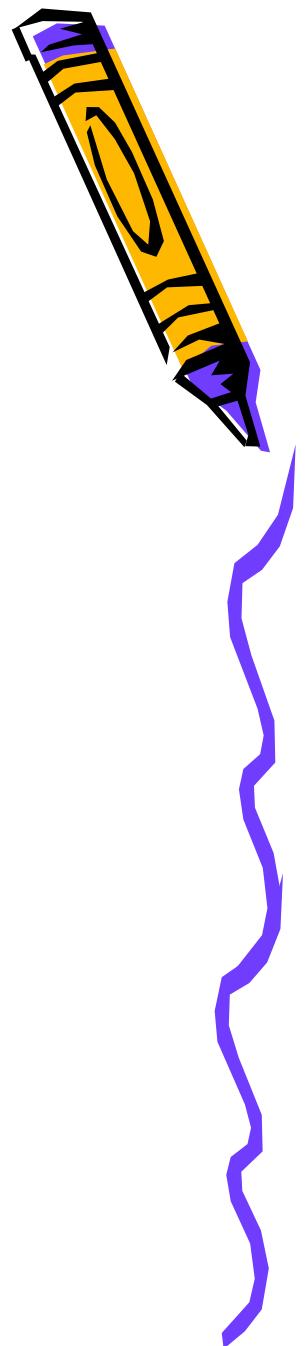

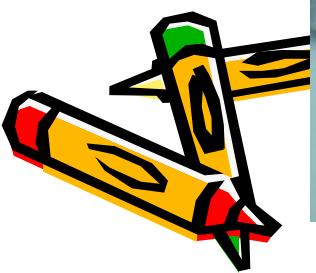

Kako da počnem?
MARIO, LANA, ANTONIO

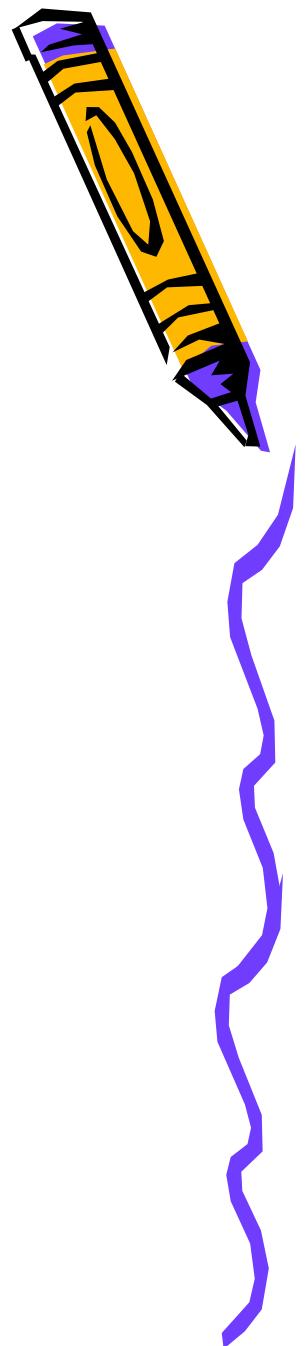

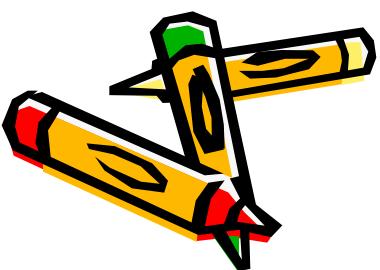

Nas to ne brine, mi već znamo!
NIKOLA, ROKO, LAURA

A što sada treba raditi? MARKO I LUKA

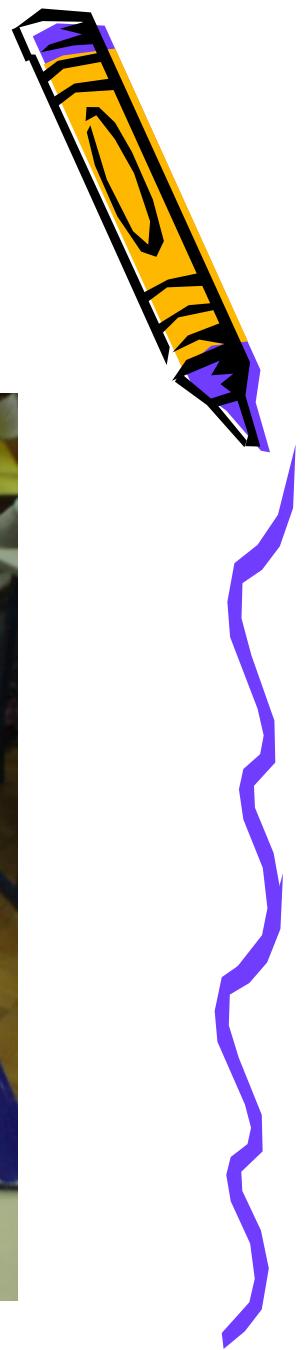

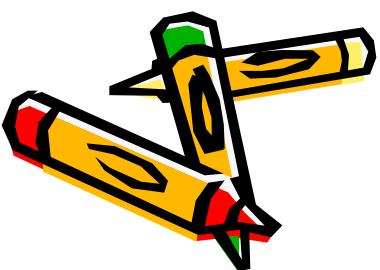

Tko se skrio,a tko je vrijedan bio?
MARTA I JAKOV

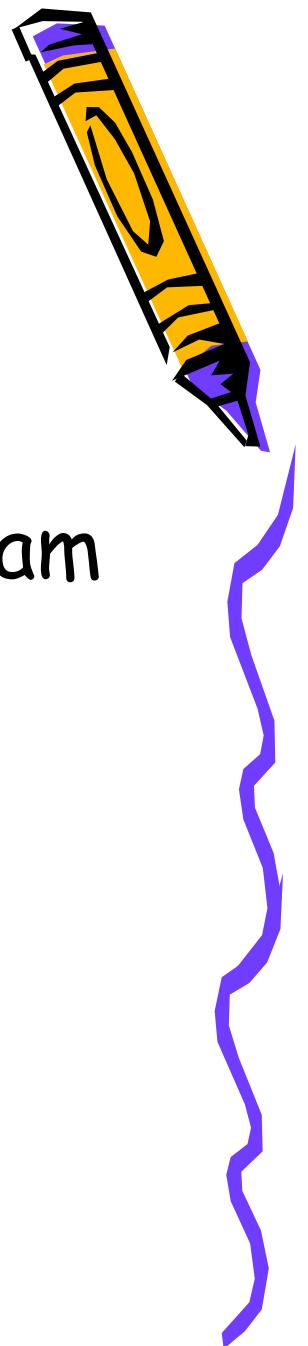

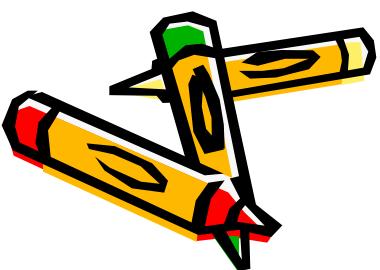

Ravnopravno podijelimo poslove!

IVANA I DANIEL

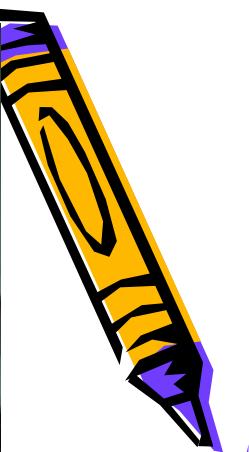

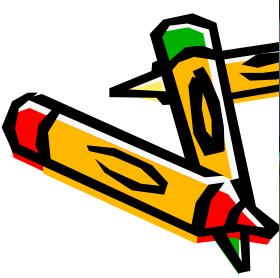

Svaki početak je težak, ali mi smo se
brzo snašli i naši susjedi bivali su nam
sve bliži i bliži!
